We are actively seeking **Massage Therapists** to join our multidisciplinary team in **Stewiacke**. Whether you're a recent graduate ready to launch your career or an experienced therapist looking for a supportive team and a fresh opportunity, we'd love to connect! New graduates can benefit from our comprehensive mentoring program. Come and thrive in a collaborative team environment and take your career to the next level!

What You'll Do

- Provide professional massage therapy services within the scope of practice of a Registered Massage Therapist (RMT), including obtaining client health histories, establishing treatment goals, documenting treatments, and preparing communications for referral sources and third-party funders as required.
- Deliver an exceptional client experience through professional, welcoming, and respectful interactions with clients, the general public, and team members.
- Ensure accurate and timely completion of end-of-shift documentation and required tasks within the clinic management software.

What You Bring

- Diploma in Massage Therapy from an accredited Canadian college (required).
- Registered and in good standing with the Massage Therapists' Association of Nova Scotia (MTANS) or another recognized provincial regulatory body.
- Experience working in a multidisciplinary clinical setting is an asset; however, new graduates are encouraged to apply.
- Strong interpersonal and communication skills, with the ability to work cooperatively and collaboratively with other disciplines and team members.
- Demonstrated commitment to ongoing professional development and continuing education.
